Use your Garden State Gardens Passport to log all of your NJ public garden visits (see pages at back). The passport has the information you need to fulfill the gardens' visit requirements. Have fun collecting passwords, identifying key plants, gathering stamps, and other requirements at each of the Garden State Gardens listed in the Passport.

Garden State Gardens is a consortium of New Jersey public gardens dedicated to creating public awareness and appreciation for the beauty and horticultural educational, artistic, and historic value of the great public gardens of New Jersey!

Be sure to check each garden's website or social media to confirm their opening hours & visitor policies prior to visit.

Share your garden visits with us on social media. We love seeing you in our gardens!

Contact Our Speakers Bureau to Reserve a Talk on Garden State Gardens for Your Group:

"Garden State Gardens" is a one hour long power point presentation, filled with beautiful imagery, that takes you on a virtual tour of over 20 of New Jersey's public gardens. Discover more about your favorites and those you have yet to visit! This is a perfect program for garden clubs, plant societies, senior groups, libraries and civic organizations.

"Native Plants in the Gardens of the Garden State Garden Consortium" is a one hour power point presentation that highlights native New Jersey plants found at Garden State Gardens public gardens.

Cost: $125

Presentations can also be held via teleconference!

Contact info@gardenstategardens.org for more information and to request a booking.
